

Letter of Explanation

To: Admission Office
Zanzibar University Management Information System (ZUMIS)

Dear Sir/Madam,

I hereby submit my academic results for the Certificate level program which I have successfully completed. I also wish to notify you that I had supplementary examinations, which I have already sat for, and I am currently waiting for the official release of the final transcript and certificate from my institution.

Since the official transcript has not yet been issued, I am attaching my available results as evidence of completion. I kindly request your consideration to accept this document temporarily while I await the official transcript and certificate.

Thank you for your understanding and support.

Yours faithfully,
